Features

Intelligent image processing technology using high resolution HD colour cameras

Precise image scanning with 16200 pixels lens

Highly integrated real time automated (IoT) technology

Special design for sorting colour and shape to ensure accuracy

Self-diagnosis and self-tuning technology for easy serviceability

Effortless customisation of acceptance and rejection

Easy interface with large touch screen

Electro- magnetic ejector for accurate flow of air

Uniform flow feeder for uninterrupted inputs

High brightness LED & amp; Low temperature rise longer service life

Low - maintenance and Less power consumption

Technical Specification

Models	Channels	Capacity (T/h)	Voltage(V)	Power (KVA)	Compressor (Hp)	Air Pressure (Bar)	Weight (Kg)	Dimension (LxWxH in mm)
Aura C3	240	2.0-3.75	220V/50Hz	1.8	20	0.25-6	840	1704 x 1725 x 1917
Aura C4	320	3.5-6.0	220V/50Hz	2	25	0.25-6	1030	2094 x 1725 x 1917
Aura C5	400	4.5-7.5	220V/50Hz	3	30	0.25-6	1220	2484 x 1725 x 1917
Aura C6	480	5.0-8.5	220V/50Hz	3.5	35	0.25-6	1350	2874 x 1725 x 1917
Aura C7	560	6.0-10.0	220V/50Hz	4	40	0.25-6	1510	3264 x 1725 x 1917

Note: Capacity may vary based on materials (2%) and impurities, Specification may change without prior notice due to R&D

Aura Series
Multi Colour Sortex
